

Proudly Independent

At Rezgo, we're free to put clients first. We've spent over 15 years getting to know tour and activity businesses just like yours and building a sustainable service you can rely on.

The booking software built for tour and activity operators

Rezgo is the booking software built for businesses like yours. Increase your bookings, streamline your operations and grow your business, all while saving time and money.

Features for your business

Save time with **instant confirmations** and **automated notifications** sent by email or SMS.

Control your capacity and manage inventory with automated staff and resource allocation.

Speed up check-ins with **digital tickets and waivers** that can be signed in advance.

Offer **dynamic pricing** based on dates, group sizes, premade packages, and more.

Increase revenues with open-date bookings, gift cards and merchandise sales.

Freedom

You're never locked in, you're never locked down. Your data is always yours.

Support

We're with you from day one, getting to know you, your staff, your business, and your challenges. Our in-house teams are knowledgeable and coordinated, and we're always ready to help.

Quality

Rezgo is built to meet the needs of real world clients and real world use cases. Our tools are comprehensive, flexible, and built with consultation from businesses like yours.

Operating at scale?

Rezgo offers unique, flexible features built for enterprise clients, including concierge businesses. Here are just a few:
